**BASIC
STATISTICS
1993**

Issued by :

**STATISTICAL BUREAU
Andaman and Nicobar Administration**

PREFACE

The present edition of Basic Statistics of Andaman and Nicobar Islands is nineteenth in the series. It presents in a precise form important data relating to various sectors of the economy of these Islands. In order to make the publication more useful and also to fulfill the ever increasing demand for reliable data, all possible efforts have been made to collect the latest available data of all sectors and incorporated in this edition.

The generous co-operation extended by the Government Departments and other agencies in making available the reliable data is gratefully acknowledged. In office this publication is the result of devoted efforts put in by S/Shri Jacob Varghese, Statistical Officer, M.V. Muraleedharan, Senior Investigator, Smti Papia Das, Statistical Assistant and Kum Sateswari, Typist who spared no pains in collection, scrutiny, compilation, tabulation and typing.

It is sincerely hoped that the publication will be useful for policy makers, research scholars, Govt. / Non-Govt. officials, tourist and general public at large.

Suggestions for further improvement of the publication are most welcome.

Place : Port Blair.
