DISTRICTWISE BREAK-UP

**GOVERNMENT OF ORISSA
POLITICAL AND SERVICES (PLANNING) DEPARTMENT
AUGUST 1957**

IOD-44

PD-2

352-960 95413

POL-S 1957

This publication is intended to show the direct and indirect benefits which will flow to the various districts of the Orissa State under the Second Five-Year Plan. The total outlay on the State Plan is Rs. 99·97 crores including Hiraikud and Delta Irrigation. Besides, a programme of the order of Rs. 16·91 crores will be taken up in this State as part of the Centrally Sponsored Programme. The schemes included in the Plan can be broadly classified as (1) Schemes of a general nature benefiting the entire State, and (2) Schemes of local importance or benefit which are planned for execution at the district level or below. The total expenditure on State Plan schemes under the category (1), namely, General Schemes at the State level is estimated at Rs. 47·4 crores and that in respect of category (2), namely, District Schemes, at Rs. 52·5 crores for the Five-Year Period, 1956—61.

Districtwise break-up has been attempted within the broad frame work of programmes projected under the State's Second Five-Year Plan. The break-up in regard to Community Projects and National Extension Service has been based on the assumption that the total provision of Rs. 16·22 crores will be available for these programme although the present Plan provision for the programme is Rs. 5·98 crores. With regard to programmes for Village and Small Industries, funds are made available by the All-India Khadi and Village Industries Commission to the State Board from year to year. The districtwise break-up for this Sector will therefore remain flexible.

On account of difficulties in obtaining foreign exchange and due to shortage of suitable technical personnel it may become necessary to modify and adjust the programmes periodically. It may be necessary to divert funds and available resources to fresh schemes promising quicker returns.

The districtwise break-up shown in this publication is, therefore, indicative of broad outline of programmes proposed to be undertaken in the various districts of the State and should to this extent be treated as tentative.

Schemes which will be taken up in the State under the programmes sponsored by the Centre outside the State Plan are also shown separately in Part III of this publication indicating, wherever possible, the distribution of provision and physical targets among the various districts.

PART II

A- General Schemes

AND

B—District Schemes

Note—In the case of the schemes which are amenable to district-wise breakup but for which such breakup is available in part only that part provision is shown in the respective district-wise statements, the balance being shown in statement "A—General Schemes". The minus provision shown in statement 'A' for such schemes indicates the amounts for which district breakup has been prepared.

**Agricultural Production and
Land Development (Other than Soil Conservation)**

A—GENERAL SCHEMES

AGRICULTURE AND COMMUNITY DEVELOPMENT

Name of the Scheme	Plan provision, 1956—61 (Rs. in lakhs)	Item	Unit	Plan Target, 1956—61	Remarks
1	2	3	4	5	6
AGRICULTURAL PRODUCTION					
<i>Training</i>					
1. Development of Agricultural College ..	33.36	(i) Admission of Students ..	Number ..	185	Located at New Capital, Bhubaneswar
		(ii) Out turn of Graduates ..	Number ..	80	-
<i>Research</i>					
1. Development of State Research Station and Central Farm.	2.34	Research station ..	Number ..	1	Ditto
2. Reorganisation of Botanical Section ..	1.10	Ditto ..	Number ..	1	Work will be done at the State Research Station at Bhubaneswar.
3. Development of Botanical Section ..	2.44	(i) Main station ..	Number ..	1	The Main station is located at Bhubaneswar and two Sub-stations at Berhampur and Jeypore (Koraput).
		(ii) Sub-station ..	Number ..	2	
4. Development of Chemical Section ..	2.10	Work will be done at the State Research Station at Bhubaneswar.
5. Development of Agronomical Section ..	2.00	Ditto
6. Development of Mycological Section ..	1.60	Ditto
7. Development of Entomological Section ..	1.03	Ditto
8. Development of Horticultural (Research) Section ..	3.06	(i) Main station ..	Number ..	1	Located at Bhubaneswar
		(ii) Sub-station ..	Number ..	2	Located at Kashipur (Kalahandi) and Sambalpur

0. Soil Testing Scheme	..	0.36	Station	..	Number	..	1	Located at Cuttack
								The result of research achieved under different Research Sections will be experimented first in the State Research Station and then released to the cultivators of the State.
<i>Extension</i>								
1. Subordinate and Extension staff	..	11.74		Directorate of Agriculture, District Agriculture Offices and Regional Offices will be strengthened.
2. Training of Fieldmen Demonstrators	..	1.95	(i) Training Centres	..	Number	..	3	Training Centres are located at Mahisapat in Dhenkanal district, Balia in Balasore district and Rangailunda in Ganjam district.
			(ii) Trainees	..	Number	..	300	
3. Agricultural Extension and Training	..	18.03	(i) Training Centres	..	Number	..	3 main and 1 wing.	At Mahisapat in Dhenkanal, Rangailunda in Ganjam, and at Balasore and Bolangir. 2 000 Grama Sevaks and 100 Grama Sevikas will be trained. The object of the scheme is to train Village Level Workers for meeting the requirements of the C. P. and N. E. S. Blocks as well as the requirement of Agricultural Department.
			(ii) Trainees	..	Number	..	2,100	
4. Agricultural Information Service	..	1.68		Under the scheme suitable literature will be produced and circulated for the benefit of cultivators.
5. Demonstration of seeds, manures and grafts	..	0.36		Demonstrations will be undertaken throughout the State.
6. Co-ordination Scheme of sample fertilisers' trial in cultivator's field.	..	4.00		This is a research scheme and will be taken up in Kalahandi and Koraput districts. Fertiliser trials will be undertaken on paddy, cotton, sugarcane, wheat and tobacco.
7. Scheme for exploitation of local manurial resources (including night-soil).	..	3.95	Production of manure	..	Tons	..	Not fixed	The target of production for 1957-58 is 125,000 tons

1	2	3	4	5	6
<i>Commodity programme</i>					
1. Establishment of Jute Research Station ..	Government of India will bear the entire cost.	Station to be opened ..	Number ..	1	At Kendrapara in Cuttack district
2. Establishment of jute seed multiplication farm ..	2.04	Farm to be established ..	Number ..	1	The farm admeasuring 300 acres is located at Derras in Puri district.
3. Research on sugarcane ..	2.94	(i) Main Station ..	Number ..	1	At Rayagada in Koraput district
		(ii) Sub-station ..	Number ..	1	At Lachida in Sambalpur district
4. Research on manufacture and storage of Gur ..	0.81	Research Centre ..	Number ..	1	Work will be done at the Central Research Station at Bhubaneswar.
5. Research on turmeric ..	0.35	Research Centre ..	Do. ..	1	At G. Udayagiri
6. Research on oil-seeds ..	0.81	(i) Main centre ..	Do. ..	1	At Bhubaneswar
		(ii) Sub-centre ..	Do. ..	2	In Boudh-Phulbani and Ganjam districts
7. Research on cocconut ..	0.83	Research Centre ..	Do. ..	1	At Sakhigopal in Puri district. Ganjam and Puri districts will be benefited.
8. Research on cotton ..	2.58	(i) Main Station ..	Do. ..	1	At Chakuli in Sambalpur district
		(ii) Sub-station ..	Do. ..	1	At Arkabali in Kalahandi district
9. Research on arecanut ..	0.98	Centre ..	Do. ..	1	Located at Sakhigopal in Puri district. Cuttack, Ganjam and Balasore districts will be benefited.
10. Research on Pepper and Cardamum ..	0.39	Centre ..	Do. ..	1	At Pottangi in Koraput district
11. Research on Coffee ..	0.37	Centre ..	Do. ..	1	Location will be decided later
<i>Agricultural Implements</i>					
1. Grant of loan for purchase of Agricultural machinery ..	3.57	All the districts will be benefited
2. Research on Agricultural implements ..	0.60	Research Centre ..	Number ..	1	At Cuttack
<i>Miscellaneous schemes</i>					
1. Strengthening the Statistical Organisation for improvement of Agricultural Statistics. ..	1.42	State Headquarters office and District Headquarters offices will be strengthened.
Total—Agricultural Production ..	108.79	

LAND DEVELOPMENT

1. Land Reforms Legislation (Enforcement of Agricultural Act).	5.54	This is a staff scheme. The Agricultural Act is proposed to be brought into force during the Plan Period.	
2. Consolidation of Holdings	5.00	(i) Area to be consolidated	..	Acres	..	500,000	The scheme will be taken up in all the districts of the State.
		(ii) Villages to be benefited	..	Number	..	2,000	
3. Resettlement of landless workers	10.00	Co-operative units	..	Dc.	* Plan target has not yet been settled. Out of the 8 Units proposed for 1956-57 and 1957-58 four units have already been started in the district of Sambalpur. Location of the rest four units has not been decided.
Total— Land Development	20.54	

B—DISTRICT SCHMES

AGRICULTURE AND COMMUNITY DEVELOPEMENT

DISTRICT—BALASORE

Name of the Scheme	Provision for the district, 1956—61 (Rs. in lakhs)	Item	Unit	Target for the district, 1956—61	REMARKS
1	2	3	4	5	6
AGRICULTURAL PRODUCTION					
<i>Administration</i>					
1. Construction of staff quarters and office buildings ..	0.820	(i) Quarters to be constructed .	Number ..	4	
		(ii) Office buildings to be constructed.	Do. ..	1	
<i>Extension</i>					
1. Establishment of training-cum-zonal service stations	0.580	Service Station to be established.	Number ..	1	The Station will be located in Baleswar Town and will serve Balasore, Mayurbhanj and Keonjhar districts.
<i>Plant Protection</i>					
1. Plant Protection Scheme ..	0.880	Area to be protected ..	Acres ..	63,000	
<i>Seed Schemes</i>					
1. Establishment of Experimental Seed Farms including construction of storage godowns.	3.99	Experimental and seed farms to be established.	Number ..	5	
2. Multiplication and distribution of improved paddy seeds.	0.70	(i) Paddy seeds to be distributed.	Maunds ..	8,000 (annually)	
		(ii) Area likely to be covered ..	Acres ..	400,000	The acreage figure is progressive and represents achievement as at the end of the Plan period.
3. Multiplication and distribution of improved gram seeds.	0.009	(i) Gram seeds to be distributed	Maunds ..	420	
		(ii) Area likely to be covered ..	Acres ..	525	

4. Multiplication and distribution of improved wheat seeds.	0-030	(i) Wheat seeds to be distributed (ii) Area likely to be brought under wheat cultivation.	Maunds .. Acres ..	1,700 1,700	
5. Multiplication and distribution of improved millet seeds.	0-009	(i) Millet seeds to be distributed (ii) Area likely to be brought under Millet cultivation.	Maunds .. Acres ..	490 1,470	
6. Distribution of vegetable seeds ..	Net Nil	Vegetable seeds to be distributed	..	Not fixed	Vegetable seeds worth Rs. 2,000 have been distributed during 1956-57. Seeds worth Rs. 2,500 will be distributed in 1957-1958.
7. Distribution of pulses and other seeds in demand	0-030	(i) Seeds to be distributed .. (ii) Area likely to be covered ..	Maunds .. Acres ..	1,500 4,500	
<i>Manures and Fertilisers</i>					
1. Manufacture of Bone meal (Supply of Bone digesters to G. Ps.)	0-225	Bone digesters to be supplied to G. Ps.	Number ..	12	
2. Distribution of Bone meal ..	0-200	(i) Bone-meal to be distributed (ii) Area likely to be covered ..	Tons .. Acres ..	5,252 141,605	The acreage figure is progressive. About 28,321 acres are likely to be covered per year.
3. Distribution of Amonium sulphate ..	Net Nil	(i) Amonium Sulphate to be distributed. (ii) Area likely to be covered ..	Tons .. Acres ..	15,000 60,000	The acreage figure is progressive. About 12,000 acres are likely to be covered per year.
4. Distribution of Superphosphate ..	0-122	(i) Superphosphate to be distributed. (ii) Area likely to covered ..	Tons .. Acres ..	7,520 203,040	The acreage figure is progressive. About 40,608 acres are likely to be covered per year.
5. Distribution of green manuring seeds ..	0-132	Green Manuring seeds to be distributed.	Maunds .. Acres ..	820	
6. Production and distribution of urban compost ..	0-223	(i) Urban compost to be distributed. (ii) Area likely to be covered ..	Tons .. Acres ..	23,000 11,500	The acreage figure is progressive. About 2,300 acres are likely to be covered per year.
7. Production and distribution of water hyacinth compost.	0-260	(i) Water hyacinth compost to be distributed (ii) Area likely to be covered ..	Tons .. Acres ..	16,500 6,250	The acreage figure is progressive. About 1,250 acres are likely to be covered per year.
8. Manufacture of Blood-meal ..	Net Nil	Blood-meal to be manufacture	Lbs. ..	137,335	
9. Maintenance of Trucks for movement of seeds and manures.	0-385	Truck to be maintained ..	Number ..	1

DISTRICT—CUTTACK

AGRICULTURAL PRODUCTION

Administration

1. Construction of staff quarters and office buildings

1-600 Staff quarters .. Number .. 9

Extension

1. Establishment of training-cum-zonal service stations..

0-570 Service stations .. Number .. 1

The Station will be located in Cuttack Town and will serve the districts of Cuttack, Puri and Dhenkanal.

Plant Protection

1. Plant Protection Scheme ..

1-095 Area to be protected .. Acres .. 76,500

Seed Schemes

1. Establishment of Experimental Seed Farms including construction of storage godowns.

2-360 Experimental seed farms .. Number .. 3

2. Multiplication and distribution of improved paddy seeds.

0-810 (i) Paddy seeds to be distributed. Maunds .. 20,000
(ii) Area likely to be covered .. Acres .. (Annually) 9,00,000

The acreage figure is progressive and represents achievement as at the end of the Second Plan period.

3. Multiplication and distribution of improved gram seeds.

0-016 (i) Gram seeds to be distributed. Maunds 700
(ii) Area likely to be covered .. Acres .. 875

4. Multiplication and distribution of improved wheat seeds.

0-070 (i) Wheat seeds to be distributed Maunds .. 2,800
(ii) Area likely to be covered Acres .. 2,800

5. Multiplication and distribution of improved millet seeds.

0-009 (i) Millet seeds to be distributed Maunds .. 455
(ii) Area likely to be covered Acres .. 1,365

6. Distribution of vegetable seeds ..

Net Nil Vegetable seeds to be distributed .. Not fixed..

Vegetable seeds worth Rs. 4,000 were distributed in 1956-57. Seeds worth Rs. 5,000 will be distributed in 1957-58.

7. Distribution of pulses and other seeds in demand ..

0-060 (i) Pulses and other seeds to be distributed. Maunds .. 3,000
(ii) Area likely to be covered.. Acres .. 9,000

8. Potato development (production and distribution of seed potato).

0-370 (i) Production and distribution of seed potatoes. Maunds .. 60,00,000
(ii) Area likely to be covered Acres .. 20,000

9. Establishment of cold storage for potato ..

Net Nil Capacity of existing cold storage to be increased. Maunds .. 15,000

Existing capacity of the cold storage plant is 10,000 Maunds. It will be increased to 15,000 Maunds.

6. Distribution of vegetable seeds ..

Net Nil Not fixed..

Vegetable seeds worth Rs. 1,250 were distributed in 1956-57. Seeds worth Rs. 1,700 will be distributed in 1957-58.

7. Distribution of pulses and other seeds in demand ..

0-040 (i) Pulses and other seeds to be distributed. Maunds .. 2,000

(ii) Area likely to be covered Acres .. 6,000

Manures and Fertilisers

1. Manufacture of Bone-meal (Supply of Bone digesters to G. Ps.)

0-225 Bone digesters to be supplied to G. Ps. Number .. 12

2. Distribution of Bone-meal ..

0-090 (i) Bone-meal to be distributed Tons .. 1,480
(ii) Area likely to be covered .. Acres .. 13,960

The acreage figure is progressive. About 2,792 acres are likely to be covered per year.

1	2	3	4	5	6
3. Distribution of Ammonium Sulphate ..	Net Nil	(i) Ammonium sulphate to be distributed.	Tons ..	5,000	The acreage figure is progressive. About 4,000 acres are likely to be covered per year.
		(ii) Area likely to be covered ..	Acres ..	20,000	
4. Distribution of Superphosphate	0.048	(i) Superphosphate to be distributed.	Tons ..	3,240	The acreage figure is progressive. About 17,480 acres are likely to be covered per year.
		(ii) Area likely to be covered ..	Acres ..	87,400	
5. Distribution of green manuring seeds	0.107	Green manuring seeds to be distributed.	Maunds ..	670	
6. Production and distribution of urban compost ..	0.205	(i) Urban compost to be distributed.	Tons ..	7,000	The acreage figure is progressive. About 700 acres are likely to be covered per year.
		(ii) Area likely to be covered ..	Acres ..	3,500	
7. Maintenance of Trucks for movement of seeds and manures.	0.385	Truck to be maintained ..	Number ..	1	
<i>Commodity Programme</i>					
1. Jute Development Scheme ..	0.267	(i) Area to be cultivated ..	Acres ..	Not fixed	In the year 1956-57 about 3,250 acres were brought under jute cultivation. The target for 1957-58 is 5,000 acres.
		(ii) Additional production of jute fibres.	Bales ..	72,930	
2. Jute retting tanks ..	0.105	(i) New tanks ..	Number ..	56	
		(ii) Old tanks to be renovated	Do. ..	28	
3. Extension of cotton cultivation ..	0.110	Additional production ..	Bales ..	27,500	
4. Multiplication and distribution of oil-seeds ..	0.013	Oil-seeds to be distributed ..	Maunds ..	1,050	
5. Lac development ..	0.235	Establishment of Farm ..	Number ..	1	
<i>Agricultural Implements</i>					
1. Hiring of agricultural implements and machineries ..	0.030	Pumps to be hired out ..	Number ..	1

Village Panchayats

A—GENERAL SCHEMES

AGRICULTURE AND COMMUNITY DEVELOPMENT

Name of the Scheme	Plan Provision, 1956—61 (Rs. in lakhs)	Item	Unit	Plan Target, 1956—61	Remarks
1	2	3	4	5	6
VILLAGE PANCHAYATS					
1. Grant to Grama Panchayats for purchase of Irrigation Pumps.	2.00	The Plan provision under the two schemes represents the provision required for payment of arrears due on account of pumps purchased during the year 1955-56. These two schemes will not be operated in the Second Plan Period. Instead two schemes viz. (i) "Construction of Grain Golas," (ii) "Loans to Grama Panchayats for Production of Bone-meal" which are considered to be more urgent have since been included under Panchayat Plan.
2. Loans to Grama Panchayats for purchase of Pumps	2.00	
3. Grant for training of Grama Panchayat Secretaries ..	5.000 (—) 3.005	Under the scheme training will be given to Grama Panchayat Secretaries by organising educative Seminars at each of the Sub divisional headquarters. The total number of Seminars to be held during the plan period is 250. The provision estimated for holding the Seminars is Rs. 3.005 lakhs. The No. of Seminars along with the provision has been shown districtwise. The balance provision of Rs. 1.995 lakhs under this Scheme is meant for payment to State Co-operative Union which will also impart training to Grama Panchayat Secretaries by organising training camps. 50 Grama Panchayat Secretaries will be given training in each training camp.

Irrigation Projects

A—GENERAL SCHEMES

IRRIGATION AND POWER

Name of the scheme	Plan Provision, 1956—61 (Rs. in lakhs)	Item	Unit	Plan Target, 1956—61	Remarks
1	2	3	4	5	6
IRRIGATION PROJECTS					
1. Investigations ..	10.00	Against this provision, investigation of two new Projects, viz., Rengali Project and Bansadhara Project will be taken up. Rengali investigation is estimated to cost Rs. 8.27 lakhs. The Project envisages a storage dam on the River Brahmani. It would irrigate about 40,000 acres of land and would have a gross commanded area of 1,70,000 acres of land. It would also moderate floods in the Brahmani and will have capacity for generating firm power of 38,000 K. W. at 100 load factor. The other Project, viz., Bansadhar Project has been proposed by the Andhra Government and the State Government agreed to the investigation being carried out jointly by both the Governments. Orissa share of the cost of investigation is about Rs. 1 lakh.

OTHER POWER PROJECTS					
1. Investigation ..	12.00	<p>This provision is intended for investigation of new schemes. Out of this provision, it is proposed to take up investigation of Balimela Project and Tikkarpara Project.</p> <p>The investigation of the Balimela Project is estimated to cost Rs. 1.74 lakhs. The Project envisages putting up a Dam on the Machkund River a few miles down stream of the Duduma Falls, diverting the waters through a few miles of tunnel and forming a reservoir at a place called Balimela in the Malkangiri taluk of Korapu district. This is expected to produce a fair amount of power as well as provide irrigation with the water from the tail race for an area of about 200 sq. miles, most of which are sparsely populated and poorly cultivated.</p> <p>The investigation of Tikkarpara Project is estimated to cost about Rs. 8.50 lakhs. The proposed sites for Tikkarpara Dam on the river Mahanadi lie within the hilly terrain bordering the districts of Dhenkanal and Puri.</p>

1	2	3	4	5	6
ROADS					
. Feeder (Panchayat) Roads ..	2.00	It was originally programmed to construct 375 miles of link roads to connect the Grama Panchayat headquarters with the nearest all weather roads at an approximate cost of Rs. 2,666 per mile with a Plan provision of Rs. 10.00 lakhs. But after utilising the provision of Rs. 2.00 lakhs in the first year of the Plan period, the scheme has been dropped and the balance provision of Rs. 8 lakhs available for the remaining four years of the Second Plan has been diverted for construction of grain golas under Panchayat Plan.
Total—Feeder (Panchayat) Roads ..	. 2.00

11. Pattern Making Factory ..	3.060	Factories to be established ..	Number ..	5	The five factories are already functioning at Cuttack, Berhampur, Baripada, Sonepur and Boudh.
12. Additional Administrative staff ..	5.466	::	Technical Joint Registrar and his staff will be appointed under the scheme.
13. Co-operative Spinning Mill ..	10.000	Spinning Mill to be established	Number ..	1	Location will be decided later.
Total—Development of Handloom Industry (Cotton) ..	40.388	

1	2	3	4	5	6
(b) DEVELOPMENT OF HANDLOOM INDUSTRIES (Silk)					
1. Eri, Silk and Tassar weaving ..	4·000 (—) 3·502	Out of the plan provision of Rs. 4·00 lakhs a sum of Rs. 3·502 lakhs has been shown district-wise and the balance amount of Rs. 0·498 lakhs is meant for entertainment of organisational staff for execution of the Handloom (Silk) Schemes.
Total—Development of Handloom Industries (Silk)	0·498	
(c) COIR INDUSTRY					
Coir Industry ..	1·000	Societies to be organised ..	Number ..	5	The Societies will be located at— (1) Sakhigopal in Puri district (2) Teishpur in Pipili N. E. S. Block in Puri district. (3) Gopalpur in Ganjam district (4) Kalarbank in Cuttack district (5) Sidhae in Cuttack district
Total—Coir Industry ..	1·000	
(d) SERICULTURE					
1. Establishment of Tassar Seed Station ..	1·121	Tassar Seed Station to be established.	Number ..	1	The Seed Station will be located at Bangriposi in Mayurbhanj district.
2. Peripatetic Demonstration Parties ..	0·634	Demonstration Parties to be organised.	Do. ..	3	The party will demonstrate improved methods of Tassar Rearing and Reeling and Eri Rearing and Spinning. They will also demonstrate the use of improved machines.
3. Establishment of Central Depots ..	4·532	Central Depot to be established	Do. ..	1	The Depot will be located at Bangriposi in Mayurbhanj district.
4. Research in Sericulture ..	0·241	Research Centre to be established.	Do. ..	1	The Centre will be located at Bangriposi in Baripada.

5. Establishment of Eri Seed Station	..	0.410	Eri Seed Station to be established.	Do.	1	The location of the Station is at Khurda in Puri district.
6. Supply of improved appliances (Charkhas and reeling machines)		0.100	Supply of S. N. Das, Charkhas to Co-operative Societies.	Sets	68	
7. Celebration of Farmers Day	..	0.144	
8. Training and study tour of officers	..	0.085	Candidates to be trained	..	Number ..	10 Ten candidates will be trained, 8 in Tassar and 2 in Eri Rearings Besides studytours of officers will be organised outside the State to study higher techniques in Eri and Sericulture.
9. Organisational expenses	..	0.461	This is a staff scheme
10. Improvement of Tassar designs	..	0.422	The scheme envisages reproduction of improved designs on Tassar fabrics.
Total—Sericulture	..	8.150	
(e) VILLAGE INDUSTRIES						
1. Copra Industry	..	0.980	Co-operative Societies to be organised—			
			(i) Big	Number ..	2	The Copra Scheme has not yet been finalised. The figures shown are purely tentative.
			(ii) Small	Do. ..	5	
2. Reorganisation of Khadi and Village Industries Board.		8.644	Additional staff will be appointed under the scheme
3. Village Industries Implement Workshop	..	10.257	Workshop to be established	Number ..	1	One implement workshop will be established at Bhubaneswar for manufacturing implements required for village industries.
4. Textile Training and Designing Institute	..	7.600	Location will be decided later

1	2	3	4	5	6
5. Aid to Mayurbhanj Spinning Mill	12-000	(i) Spinning Mill (ii) Spindles (iii) Quantity of yarn to be produced annually.	Number .. Do. .. Bales ..	1 10,000 2,000	(One Bale is equal to 400 lbs.)
6. Augmentation of staff ..	10-000	
Total—Village Industries ..	49-481	
<i>(f)</i> HANDICRAFTS—					
1. Introduction of mobile van (for handicrafts) for propagating and selling handicrafts goods.	0-650	
2. Celebration of handicrafts week ..	0-790	
3. Scheme for development of village crafts through standardised production.	1-310	The benefit under the scheme will go to eight districts viz., Cuttack, Puri, Ganjam, Balasore, Mayurbhanj, Dhenkanal, Sambalpur and Sundergarh where there are possibilities for the development of handicrafts.
4. Craft Schools ..	4-000	Schools ..	Number ..	30	Out of 30 schools in the plan location of 11 schools has been shown district-wise without indicating the provision. The location of the remaining nineteen schools has not yet been decided.
5. Expansion of Arts and crafts designing centre ..	1-900	Expansion of existing centre ..	Do. ..	1	This is a research scheme. The centre is located at Bhubaneswar. The scheme aims at production of new designs and adoption of better technique so as to revive the artistic talent in the village artisans in trades like Bell-metal, Filgree, Wood work and stone work.

6. School of Arts and Crafts	..	0-950	Trainees	..	Do.	..	30	Location at Puri
Total—Handicrafts	..	9-600
(g) SMALL-SCALE INDUSTRIES								
Leather experiment centre	..	0-950	Experiment centre	..	Number	..	1	Location of the centre is at Bidanasi in the district of Cuttack. The aim and object of the scheme is to carry on experiment of leather with the indigenous tan stuff, etc.
Training-cum-production centre for small-scale industries	..	19-000	(i) Production centre	..	Do.	..	1	Machines relating to different small-scale industries will be put up in the centre located at Cuttack where educated youngmen desirous of setting up industries of their own will be given training in maintenance, operation and utility of these machines.
			(ii) Annual admission of students	..	Do.	..	150	
Automobile and Diesel Training Institute	..	14-250	(i) Training Institute	..	Number	..	1	(A) The institute was started during 1956 with a trainee strength of 15. After the session the institute is being merged with Hiraikud Industrial Training Institute providing training facilities for 32 motor mechanics in that institute.
			(ii) Annual admission of students	..	Do.	..	(A)	
Aid to private technical schools	..	2-380	Grant-in-aid will be given to Orissa Poor Industries Cottage at Cuttack, Basantakumari Bidhabashram at Puri, Puri Anathashram and Balasore Technical School, etc.
Chemical testing and research laboratory	..	3-530	Laboratory	..	Number	..	1	Location of the laboratory will be at Cuttack. The laboratory will help small industrialists in solving their technical problems.

1	2	3	4	5	6
6. Survey, Evaluation and Publicity	2-490	--	..		The aim of the scheme is to collect data about resources of raw materials by preliminary survey and publicise the information for the benefit of the private industrialists who can exploit the potential resources.

Welfare of Backward Classes

A—GENERAL SCHEMES

SOCIAL SERVICES

Name of the Scheme	Plan Provision (1956—61) Rs. in lakhs	Item	Unit	Plan Target (1956—61)	REMARKS	
1	2	3	4	5	6	
WELFARE OF BACKWARD CLASSES						
SCHEDULED TRIBES						
<i>Education</i>						
1. Tribal Research Bureau ..	2.250	—	The provision is intended for expanding the activities of the existing Bureau. The Bureau conducts research in Anthropology of the Tribal Groups.	
2. Excursion ..	0.760	Batches of Tribals including students are taken on excursions to different places of historical importance etc.	
3. Exhibition ..	1.170	Tribal students of different parts of Orissa are brought to the exhibition where a display of their arts and crafts is arranged. The exhibition helps to broaden their outlook and to bring them out of their seclusion.	
4. Grant to Harijan Udyogasala ..	0.045	Provision is meant for paying contribution to Harijan Udyogasala, New Delhi, for training Adibasi students from Orissa. Training is imparted in tailoring, smithy, carpentry, tanning etc.	
5. Training of Women ..	0.050	Students to be trained	..	Number	4	Adibasi women candidates are deputed for training in the Basanta Kumari Bidhabashram at Puri. The period of training extends upto three years.

Economic Schemes

1. Cottage Industry Training	1-070	Trainees	Number	40	The Scheduled Tribes candidates will be trained in the different Industrial Schools in subjects, like carpentry, smithy etc. The period of training varies from two to three years.
2. Manufacture of Talgur	0-720				Provision is intended for giving block grants to the Orissa Khadi Industry Board, Bhubaneswar for undertaking Talugur manufacture work in the tribal areas of Koraput, Ganjam and Dhenkanal districts.
3. Grants to Non-official organisations	1-800				Grants are given to non-official organisations for doing welfare work among Adibasis and Harijans. The non-official organisations doing welfare work are (1) Utkal Nabajiban Mandal, Angul (2) Palli Sevak Sangha, Baripada. (3) Servant of India Society, (4) Sarbodaya Bidyapith, Nuagaon, Keonjhar (5) Neheru Sevashram, Banpur, (6) Nima-khandi Sevashram, Ganjam, (7) Utkal Palli Mangal Samiti, Bhubaneswar (8) Binobaji Sarbodaya Samabaya Samiti, Soro, (9) Akhila Bharat Seva-sangha, Rayagada, Koraput.
4. Social Service Centres	3-500				Grants to be given to the Navajiban Mandal to open 68 Social Service Centres.
<i>Miscellaneous</i>					
1. Special Staff for smooth execution of welfare Schemes.	18-820				It is proposed to maintain executive and supervisory staff for smooth execution of schemes.
Total—Scheduled Tribes	30-185				

1	2	3	4	5	6
SCHEDULED CASTES					
<i>Education</i>					
. Grants to Harijan Udyogasala ..	0.045	Provision is meant for paying contribution to Harijan Udyogasala, New Delhi, for training Scheduled Caste students from Orissa. Training is imparted in tailoring, smithy, carpentry, tanning etc.
<i>Other Schemes</i>					
Journals ..	0.100	
. Legal Assistance ..	0.125	
<i>Schemes to be executed through official organisations</i>					
. Grants to non-official organisations ..	0.750	Same as under Schedule Tribes
. Grans to D. C. League for running Thakkar Ashrams ..	6.875	For each Thakar Ashram, there is a worker-in-charge who organises a band of volunteers mostly of higher castes and by association and precepts trains them in ethics of removal of untouchability. The volunteers indicate a change of attitude to the untouchables who freely mix with them at the Ashrams in religious performances and social functions. The worker educates the Harijans by running night schools in the Thakar Ashrams.

3. Grants to D. C. League for Publicity and Propaganda..	8.650	The grant is given to D. C. league to organise Harijan Melas, and for issuing posters and pamphlets for visual Publicity through magic lantern and to maintain propaganda workers.

A—GENERAL SCHEMES

SOCIAL SERVICES

Name of the scheme	Plan provision 1956—61 (Rs. in lakhs)	Item	Unit	Plan Target 1956—61	Remarks	
1	2	3	4	5	6	
SOCIAL WELFARE						
1. Social Welfare Extension (Contribution to Social Welfare Board).	1.773	In the Second Five-Year Plan (1956—61) a provision of Rs. 19 lakhs has been made for giving contribution to the State social-welfare Advisory Board for the purpose of better coordination between Social Welfare Institutions in the State and the Central Social Welfare Board. Out of this an amount of Rs. 17.227 lakhs has been distributed districtwise for opening of Welfare Extension Projects under the Board and the balance of Rs. 1.773 lakhs for which details have not been worked out is shown here as General Scheme.	
2. Social and Moral Hygiene and After-care Services ..	12.760	(a) After care home for 100 men	Number ..	1		Out of the provision of Rs. 12.76 lakhs, an amount of Rs. 8.87 lakhs is intended for items A, B and C and the balance is kept as reserve.
		(b) After care home for 100 women.	Do. ..	1		
		(c) After care home for 50 young persons.	Do. ..	1	The location of these Homes is under consideration.

Reserve	1.03	
Total—Publicity	11.79				

OTHER SCHEMES

1. Bureau of Statistic aud Economics	19.00	<p>The task of evaluating the various development programmes, assessing the economic benefits actually accruing to the people therefrom and suggesting measures to be adopted for the full realisation of the value of developmental expenditure will be taken up under the scheme. There will be District Statistical Machinery under the Bureau.</p>
2. Municipal Development Works(other than roads) ..	17.10	<p>The scheme includes a provision of Rs. 9.50 lakhs for giving loans to the Municipalities and Notified Area Councils in the State for enabling them to take up remunerative schemes, viz., Pisciculture, construction of markets and lighting, etc., which will be a source of income to them in future. The physical achievement under the scheme depends entirely on the Municipal bodies. The amount of loans to be given depends on the financial stability of the Municipal bodies, the nature of the scheme and their ability to execute the same.</p> <p>The scheme also includes a provision of Rs. 7.60 lakhs for giving financial assistance in the shape of grant-in-aid on the basis of matching contribution from the local bodies for their schemes which are meant for providing civic amenities and facilities to the urban people. The actual physical achievement under the scheme depends on the Municipal bodies. The principle of giving grant-in-aid is that the Municipal bodies should meet 50 per cent of the expenditure from their own funds and the remaining half will be given as grants by Government. The provision is meant for encouraging the Municipal bodies to execute their plans themselves by augmenting their own resources.</p>
3. Town Planning	47.50	<p>The programme under the scheme is—</p> <ul style="list-style-type: none"> (i) Development of 500 acres in Cuttack City and provision of necessary amenities in this area, (ii) Construction of five miles of arterial roads in the City of Cuttack. (iii) Slum clearance for an area of 45 acres of slums in Cuttack conseruction of tenemensts for rehousing the peronsas pershum clearance scheme of the Government of India. PART III

Centrally Sponsored Programme

Note—The estimates in respect of Centrally Sponsored Programme are tentative and are outside the ceiling fixed for the States' Second Five-Year Plan. These are indicated in the following statements to give an idea of the total volume of development programme to be undertaken in the State during the Second Plan period.

I—ABSTRACT STATEMENT OF CENTRALLY SPONSORED SCHEMES

Name of the scheme	Plan provision, 1956-61 (Rs. in lakhs)	Remarks
1	2	3
I. AGRICULTURE AND COMMUNITY DEVELOPMENT.		
1. Special Minor Irrigation ..	7.600	The districtwise break up of the provision has been shown separately.
2. Local Development Works	32.500 (approximately).	In order to bring forth local initiative for undertaking works of a small nature benefiting the community as a whole in the rural area the programme of Local Development Works was initiated in the year 1953-54. Fifty per cent of the cost of each local work should as a rule be contributed by the people in the form of cash, voluntary labour or other contributions, the balance 50 per cent being provided in the Centres' Plan. The programme will continue upto the end of March 1959. The extent of Centres' allocation to the State for the period is not known, but on an <i>ad hoc</i> basis a grant of about Rs. 1 lakh may be given per district. For the three years that the programme will be in operation the total Government grant is estimated to be Rs. 32.5 lakhs approximately. The total magnitude of the value of work will thus be Rs. 65 lakhs or so inclusive of popular contribution.
Total—I. Agriculture and Community Development.	40.100	
II. IRRIGATION.		
1. Flood Control ..	350.000	The districtwise details have been shown separately. The flood-affected areas in the State are in Balasore, Cuttack, Dhenkanal, Ganjam, Keonjhar, Mayurbhanj and Puri districts.
Total—II. Irrigation ..	350.000	
III. INDUSTRY AND MINING		
<i>Village and Small Industries</i>		
(a) General Schemes—		
(i) Industrial Training Institute, Rourkela.	58.740	The provision under the schemes represents 60 per cent of the expenditure to be borne by Government of India, the remaining 40 per cent being borne by the State Government which has already been shown in the break up of State Plan under 'Village and Small Industries—General Schemes' together with the targets set out for the Plan period.
(ii) Industrial Training Institute, Hirakud.		
(iii) Industrial Training Institute, Berhampur.		
(iv) Industrial Training Institute, Rayagada and Balasore.		
(v) Improvement of Cuttack Training Institute.		
(vi) Apprenticeship and Training of Principals etc.		

1	2	3
(b) Power-loom	61·764	The districtwise details have been shown separately. Under the scheme it is proposed to have 8 Weavers' Co-operative Societies with 150 looms in one unit or in 15 units of 10 looms each during the Plan period. Each unit of 10 looms will be installed in a shed. To feed each of the 150 looms with prepared weavers beams each society will have a centralised preparatory unit. 600 looms are proposed to be installed in 1957-58 and the rest 600 in 1958-59. A training and demonstration unit will be established to train the weavers and supervisory staff will be maintained to run the scheme. Production by power-loom will be confined to medium varieties of shirtings, checks, sucies, plain border grey dhotis and grey sheeting which do not come in conflict with handloom productions. This will meet the extra requirement of fabrics. The districts of Cuttaok, Puri, Ganjam and Sambalpur will be benefited by this scheme.
(c) Industrial Estates	62·70	
Total—III. Industry and Mining	120·504	
IV. TRANSPORT AND COMMUNICATION.		
1. Roads—		
(a) Central Road Fund and Centrally aided works.	156·070	The districtwise breakup of the provision has been shown separately.
(b) National Highways—		
(i) Major bridges ..	254·650	Construction and improvement work will be carried out on the National Highways Nos. 5, 6, 42 and 43 passing in the State. National Highway No. 5 passes through the districts of Mayurbhanj, Balasore, Cuttack, Puri and Ganjam. National Highway No. 6 passes through the districts of Sambalpur, Dhenkanal, Keonjhar and Mayurbhanj. National Highway No. 42 passes through the districts of Cuttack, Dhenkanal and Sambalpur. National Highway No. 46 passes through Koraput district. The details of the works are shown at the end of the Abstract statement.
(ii) Minor bridges ..	32·670	
(iii) Improvement of Roads ..	168·930	
(iv) Construction of Roads ..	33·130	
(v) Bye-passes ..	1·000	
Total—(b)—National Highways	490·380	
Total—Roads ..	646·450	
2. Ports		
(i) Development of Paradip Port	21·200	Under the scheme it is proposed to develop Paradip into an all-weather port by the end of Second Plan period. The details of work to be taken up are given below. (a) Construction of Jetties and quay walls for the lighter, Provision of cranes, trolleys and ore tubs ; Construction of staff quarters ; Provision of water-supply, Electricity and navigational aids ; Construction of road approaches from Paradip Port site ; Acquisition of land and levelling and filling. (b) Purchase of a sea-going survey launch for Paradip Port Survey.

1	2	3
(ii) Development of Chandbali Port	2·300	<p>The following works will be taken up during the Second Plan period :—</p> <p style="text-align: right;">Rs.</p> <p>1. Renewal of three permanent beacons .. 25,000</p> <p>2. Renewal of ten buoys .. 35,000</p> <p>3. Purchase of mooring chains .. 30,000</p> <p>4. Replacement of pearl engine by a diesel engine. .. 35,000</p> <p>5. Survey of Dhamara and Baitarani river. .. 50,000</p> <p>6. Repairing and strengthening of three wooden jetties in Chandbali Port. .. 10,000</p> <p>7. Purchase of one Motor Launch for use of extensive river and harbour works. .. 30,000</p> <p>8. Repairs to short island Light House .. 15,000</p>
Total—IV—Transport and Communication	669·950	Total .. 2,30,000
V—SOCIAL SERVICES—		
1. Urban Water-supply ..	55·000	The districtwise details have been shown separately.
2. Welfare of Backward Classes ..	212·913	The districtwise details have been shown separately.
3. Social Welfare—		
(a) Social and Moral Hygiene and After Care Services.	15·440	The provision represents 50 per cent of the expenditure to be borne by Government of India under the scheme. The balance 50 per cent has been shown in the State Plan under "Social Welfare—Social and Moral Hygiene and After Care Services" together with the targets set out for the Plan.
4. Labour and Labour Welfare —		
(a) Employment Exchange	2·850	The provision represents 60 per cent of the expenditure to be borne by Government of India under the scheme, the balance 40 per cent being borne by the State Government which has been shown in the State Plan under "Labour and Labour Welfare—Employment Exchange" together with the target set out for the Plan.
Total—V—Social Services ..	286·233	
VI. MISCELLANEOUS		
1. Publicity :—		
(i) Opening of Information centre at State Headquarter.	0·570	The schemes have been included in the State Plan. The provision shown here represents 50 per cent of the expenditure to be borne by Government of India against each scheme, the balance 50 per cent being borne by the State Government which have already been shown in the State Plan under the head Miscellaneous - Publicity.
(ii) Community listening scheme ..	12·500	
(iii) Development of Tourist traffic	3·000	
Total—VI—Miscellaneous ..	16·070	

1	2	3
VII—RELIEF AND REHABILITATION		
<i>Relief and rehabilitation of displaced persons.</i>		
1. Loans for rural rehabilitation ..	58·083	<p>Displaced persons migrating into this State from East Pakistan are received in the transit camp which is at Charbatia in Cuttack district and are rehabilitated in the several rural and urban colonies set up in the First Plan Period. The transit camp has at present 5,000 displaced persons and 200 more displaced persons are proposed to be accommodated in this camp. In the Second Plan it is proposed to fill up the vacancies in the existing colonies and to set up new rural colonies for rehabilitating them. The State Government have decided to rehabilitate as far as possible agriculturists only. The plan provides for loans to displaced persons for settlement on land and loans and grants for other productive activities. An economic survey of the old colonies will be taken up. Proposals for establishment of training-cum-production centres and for undertaking a goods transport scheme with the help of the State Transport Department for widening the avenues of employment of displaced persons are under consideration.</p> <p>Medical and educational facilities will be provided in the new colonies to be set up. In Schools, Colleges and Technical Institutions in the State seats have been reserved for displaced persons. Vocational training is provided at the Cuttack Engineering School. Facilities for displaced women for training in Nursing have been provided at the Cuttack General Hospital and similar arrangements are being made for training at the T. B. Sanatorium at Chandpur in Puri district.</p> <p>This pilot scheme has been taken up in Malkangiri Taluk of Koraput district with a view to investigating the possibility of colonisation.</p>
2. Loans for urban rehabilitation..	8·973	
3. Industrial loans	48·000	
4. Urban Housing loans ..	1·200	
5. Educational schemes ..	4·100	
6. Vocational Training ..	4·800
