

Department of Pre-University Education

Annual Report 2010-11

The Department of Pre-University Education is a very critical and important component in the education. A good foundation is laid for improving the personality of students at PU level. It is here they choose various streams, which lead to further general and professional courses. Today Higher Education is reaching a larger section of students and good results are also seen. Hence, there is a great demand for Pre University Education. All the Government, Private aided and Private unaided PU colleges come under the purview of the Department of Pre-University Education in the matters of Administration, Academic and Examination.

Academic Activities:

There is an academic wing in the Department of Pre University Education headed by a Joint Director. Programmes are being designed under the guidance of the Director. There are 2 Assistant Directors and 3 Academic Officers in this wing.

The important functions of the academic section are as follows.

First PUC Admission Procedure:

It is a good sign that year by year the strength of students gaining admission to PUC course is increasing. Students are continuing their higher studies in large number. In order to provide equal opportunity to the talented students to join in different colleges, the department is issuing guidelines for admission to all the colleges. As a result of this a full transparency has been maintained in admission procedure. Reservation policy of the Govt. has been strictly implemented. Thus the entire admission procedure is impartial and transparent.
