The present edition of the Statistical Outline of Andaman and Nicobar Islands (eighth in series) incorporates the latest available data relating to socio-economic aspects of this territory. The scope of the present volume has been enlarged in order to make it more useful to the general public and Government departments.

The Statistical Bureau acknowledges with gratitude the co-operation of all Government departments and private organisations who have supplied the requisite material presented here.

Suggestions for its further improvement are most welcome. These will be carefully considered in planning future issues of the publication.

Dated at Port Blair,
the 29th February, 1968.

M. M. SINGH,
Statistical Officer,
