F O R E W O R D

Indicators of Socio-Economic Development is one of the regular publications of the Directorate of Planning, Statistics & Evaluation, Government of Goa. This brochure contains important statistical indicators as at the time of Goa's Liberation in 1961, at the time of attaining Statehood in 1987 and for the year 2007-08.

The State was brought into the main stream of national development through implementation of the Five Year Plans, soon after Liberation. The wide array of Socio-Economic Indicators presented in the brochure will enable users/readers to comprehend at a glance the impressive progress registered by the State since liberation. It may be mentioned that the figures for the pre-liberation period or immediately after liberation, relate to the erstwhile Union Territory of Goa, Daman and Diu except where otherwise indicated, while the figures for 1987 and 2007-08 relate to the State of Goa.

The valuable co-operation extended by the various departments of the State Government, Local Bodies, Government of India and other organizations in timely availability of the requisite data is gratefully acknowledged.

I would also like to express my deep appreciation of the sincere efforts made and hard works put in by Smt. Antonette L. Fernandes, Research Assistant, Miss. Kumudini P. Dessai, Statistical Assistant and Shri Alex C. Fernandes, Data Entry Operator, in preparation of this publication and in bringing it out in a record span of time under the supervision of Dr. Y. Durga Prasad Jt. Director.

It is our endeavour to constantly improve the contents and quality of the publication. Therefore, suggestions for improvement are welcome.

Panaji,

**Anand Sherkhane
