The Statistical Abstract of Andhra Pradesh, 1986 is the Thirtieth in the series. It presents data on various aspects of the State Economy for the year 1986 with comparative figures for the preceding years. In this issue, district-wise break-up has also been presented for some important items.

It is hoped that this publication would serve as a useful reference book to the general public, research workers and administrators.

I thank all the Heads of Departments in the State and the Central Governments who have extended their co-operation by furnishing their data.
