

**REPORT OF THE UGC COMMITTEE REGARDING INCLUSION OF TEN  
~~SYMBIOSIS INSTITUTIONS UNDER THE AEGIS OF SYMBIOSIS~~  
~~INTERNATIONAL EDUCATIONAL CENTRE (SIEC)~~  
DEEMED TO BE UNIVERSITY**

---

## INTRODUCTION

The Government of India, on the recommendation of the University Grants Commission conferred the status of Deemed to be University to Symbiosis International Educational Centre (SIEC) comprising three institutions, viz., Symbiosis Institute of Computer Studies and Research, Symbiosis Institute of Business Management, and Symbiosis Society's Law College, vide notification No. F.9-12/2001-U.3, dated 6<sup>th</sup> May, 2002.

UGC has received the proposal from Symbiosis Society, which is the parent body of SIEC Deemed to be University, for including the following ten institutes under the aegis of Symbiosis International Educational Centre (SIEC) Deemed to be University:

- (i) Symbiosis Centre for Management and Human Resource Development (SCMHRD)
- (ii) Symbiosis Institute of International Business (SIIB)
- (iii) Symbiosis Institute of Telecom Management (SITM)
- (iv) Symbiosis Institute of Management Studies (SIMS)
- (v) Symbiosis Institute of Mass Communication (SIMC)
- (vi) Symbiosis Institute of Operations Management (SIOM)
- (vii) Symbiosis Centre for Information Technology (SCIT)
- (viii) Symbiosis Institute of Geoinformatics (SIG)
- (ix) Symbiosis Institute of Health Sciences (SIHS)
- (x) Symbiosis Institute of Design (SID)

The University Grants Commission constituted the Committee consisting of (a) Dr. R.K. Kale, Professor in Life Sciences and Dean of Students, Jawaharlal Nehru University, New Delhi-110067 (b) Dr. R.P. Gangurde, and (c) Dr. Surender Singh, Education Officer, UGC (Coordinating Officer) (d) Mr. P.K. Sharma, Private Secretary, UGC (to assist the Committee) to visit the above said ten SYMBIOSIS Institutions and make suitable recommendations regarding the inclusion of these Institutions/Centres as constituent units of Symbiosis International Educational Centre (SIEC) Deemed to be University.

The Committee visited the above said Institutions on 22-23<sup>rd</sup> September, 2006. The Committee had a meeting of the Directors of all the 10 Institutes. Each Director made a 'Power-point' presentation of the respective institution. The Committee visited various campuses for a better understanding of their

infrastructure, their libraries, their computer systems and held discussions with the Directors, faculty, students and the staff of these Institutes.

The Committee took note of the fact that these were not new Institutes seeking their inclusion. Many of these Institutes have been established since long and have a proven track record in respect of excellence of instruction, tie-ups with foreign Institutes and placements in various industries. Their students have consistently received ready acceptability in the Corporate Sector. The admissions to these Institutes are on the basis of a Central Admission Test (which is called SNAP test).

The Committee was informed that Symbiosis has acquired approx. 300 acres of land at Lavale, which is about 15 kms from Pune. The Committee was further informed that the construction work on this land has already commenced and some institutes are likely to be shifted to the said campus from the Academic Year 2007. It was informed that the SIEC University would be fully shifted there in due course.

The Committee felt that more attention should be paid to research activities. The Committee was assured that with the new campus at Lavale coming up, it would be possible to concentrate on intensive research activities. The Committee was informed that Symbiosis was keenly aware of the shortcomings in the field of research and was making efforts to adopt remedial measures. Symbiosis was planning to set up a State-of-the-Art Research Centre, which can be availed of even by the Industry.

The Committee is appreciative of the many achievements not only of Symbiosis in general but also of the excellent performance and track record of excellence of these 10 Institutions. The Committee has been impressed by the good infrastructure and the brand image, which Symbiosis has come to create for itself.

The observations of the Committee regarding each institute/center are as under:

### **1. Symbiosis Centre for Management and Human Resource Development (SCMHRD)**

**Establishment Year : 1993**

<b>Courses :</b>	1.	Name	PGDM
		Intake capacity	220
		Duration	2 Years
	2.	Name	E-PGDM
		Intake capacity	120
		Duration	18 Months

#### Library

Area : 120 Sq.m, Seating Capacity 105

Books Journals : 15285

#### Students

No. of Intake : 240 MBA, 120 E-PGDM

Admission Procedures : All India Entrance Test by Symbiosis National Aptitude, then Group Discussion and Personal Interview.

Fee Norms : Fee Structure of the Institution

No.	Category	Fees
1.	Admission Fee	N.A.
2.	Tuition Fee	90,000
3.	University fee (Examination fee, Registration fee etc.)	N.A.
4.	Hostel fee (Rent etc.)	22200
5.	Laboratory fee	2500
6.	Library fee	
7.	Any other	104300
	Total Fees	219000

## 2. Symbiosis Institute of International Business (SIIB)

Establishment Year : 1992

### Courses

**PGDIBM** – The Post Graduate Diploma in International Business Management , a two year post graduate diploma course having specialization in Marketing, Finance and Supply Chain Management / Logistics and HR. It prepares the student for a career in general management

**PGDABM**– The Post Graduate Program in Agribusiness Management course launched in 2004

Both courses are approved by AICTE.

Symbiosis Institute of International Business [ SIIB] has entered into an understanding with Foreign universities which provide a platform for student and faculty exchange programmes.

For the last two years SIIB has had a very successful student exchange program with **Bremen Universities Applied Sciences** wherein around 20 students spend one month in summer at Bremen undergoing course work in European Business practices, and the challenges facing the European economy. The course also includes visits to factories like Airbus, Daimler Chrysler and the Hamburg Port etc.

In December 2003 SIIB signed an MOU with **Oakland University School of Business Administration, Michigan, USA**. This envisages a faculty exchange program followed by a student exchange program. As a part of the faculty exchange, Dr. Rajani Gupte , Director, SIIB taught a course on International Business Management at Michigan during the spring semester since 2004. Faculty from OU – Dr. Deepak Sethi, Associate Professor, Oakland University School of Business Administration and Dr. Keieran Mathieson have taught courses in International Business Management and Management Information Systems for business , to the students of SIIB.

### PLACEMENTS

Students of SIIB are placed in the good companies in India and abroad . The highest salary offered on campus for the batch of 2006 was Rs. 11.5 lakhs p.a with a median salary of Rs. 5.8 lakhs p.a. For the batch of PGDABM, 2004 – 06 the highest salary offered was Rs. 7.2 lakhs with a median of Rs. 3 lakhs p.a.

### Students Strength

Post Graduate Diploma in International Business Management (PGDIBM): 120

Post Graduate Diploma in Agribusiness Management (PGDABM): 50

## Halls

	Available in the institution	Available in the Institution (Sq.M)
Class Rooms	8	1637.24
Tutorial Hall	1	173
Drawing Hall (*)	-	-
Computer Centre	2	235.80
Library	1	378.1
Laboratories & workshops	-	-
<b>Total</b>	<b>12</b>	<b>2424.14</b>

## Library

SIIB students have access to 26,560 books, 210 journals, 1715 CD – Roms / Videos on a wide variety of management subjects on the campus.

## Auditorium

A 450 seat – Auditorium is available for various Institutes events / activities.

## Hostel

Students hostels on the campus are thoughtfully designed. These are located on the main campus and within walking distance. There are separate hostel blocks for boys and girls. All girls are accommodated on the main campus. Each room accommodates three students and has an attached bathroom with hot water facility. Furniture, mattresses and curtains are provided. A mess facility, laundry service, a cafeteria, an STD booth and a general store, cater to various needs with convenience and comfort.

## Common Room

One common room is available in the Institute with TV and Audio Visual Equipments .

Health club and fitness center is available for training for strength, endurance, flexibility and cardiovascular fitness, including yoga and meditation.

*[Handwritten signatures and initials]*

## **Classrooms**

All classrooms at SIIB are equipped with Audio Visuals equipments and Internet connectivity to facilitate the faculty members in their teaching.

## **Admin Office**

A well manned admin office consisting of Accounts Section , Co ordinators section , Admin Office Section is functional at the Institute.

## **Canteen**

A well equipped Cafeteria is available on campus.

## **Gym**

A common gymnasium is available for students .

## **Faculty**

Most of the faculty at SIIB is drawn from the industry, to ensure that students are perfectly industry-ready in their chosen functional areas.

Full Time and Adjunct : 10  
Visiting Faculty : 70

Faculty development program:

Various Faculty Development Programmes are provided by the Institutes. Faculty is encouraged to attend National seminars .

**Students No. of Intake :**

PGDIBM : 120

PGDABM : 50

## **Admission Procedures**

**Phase-I:**

Candidate has to appear for SNAP Test . The SNAP test score will be one of the parameters for short listing the candidates for GD/PI. Other parameters include academic background and work experience.

**Phase-II:**

Group Discussion, Personal Interviews, Group Activity & Written Communication Test.

The Group Discussion will be based on a case study, which will be followed by personal interview. The Group activity would evaluate the soft skills required in a managerial position.

#### **Final Selection**

The final selection of students will be based on the performance in Phase I and Phase II.

**Fee Norms:** Rs. 0.90 Lakh P. a.

#### **Other Strengths**

- a) Teaching Methodology: Teaching is based both on theory and practical applications in the given subject. The teaching methodology followed includes the following: Case studies, presentations, Group Activities, Lectures, Role Plays, Industrial visits to JNPT Port, Learning through club activities etc.
- b) Updation of Syllabus : Updation of syllabus is carried out on a yearly basis to include the most recent changes in the given field.
- c) Industrial projects : Overseas Market Research is carried out by students attached to various companies .
- d) ERP Training is provided to students with modules on Marketing, Finance, and Supply Chain Management etc.
- e) Live projects with industry for students, during the semester.
- f) Four day module on Introspection and Business Ethics at MRA , Panchgani conducted by industry leaders.
- g) International MoUs.
- h) Accredited by NAAC as on 1/ 10/ 2002 .

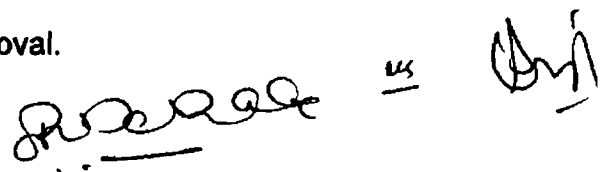

### **3. Symbiosis Institute of Telecom Management (SITM)**

**Establishment Year:** 1996

#### **Courses**

- Post Graduate Diploma in Telecom Management -Marketing & Finance (PGDTM-M&F) 2yrs
- Post Graduate Diploma in Telecom Management -System & Finance (PGDTM-S&F) 2yrs

Courses have been accorded AICTE approval.

## Background

SITM was established in the year 1996 consequent to the opening up of the Telecom sector in India.

SITM started a Post Graduate Diploma in Telecom Management (PGDTM) a two-year full time autonomous course. It initially offered two specializations - Systems & Marketing.

Subsequently based on the industry feedback, in 2003 Finance component was added to both specializations. Presently SITM offers Systems & Finance and Marketing & Finance as dual specialization.

## Infrastructure

Land	0.44 Acres
Building Area	475 sqm (plinth area)
Computer Lab	Software Lab 38.5 Sqm CISCO Network Lab 38.5 Sqm
Halls	AC Convention Hall having seating capacity of 125
Hostel	Accommodation for five girls is allotted in Symbiosis Hostel
Common Room	2 Student Committee rooms, 1 conference room.
Classrooms	Four classrooms with teaching aids.
Admin Office	Adequate
Canteen	Available in the campus
Gym	Symbiosis Gym, Swimming Pool, Aerobics and Yoga center facilities available.
Equipment	LCD / Overhead Projectors, TV sets, VCR, Audio Cassette Players, PA System
Number of computers	73 Computers/Laptops
Other equipments	CISCO 1721 Routers (Qty-5) CISCO 2950 Switches (Qty-2)

**Faculty Development Program**                      Faculties are deputed for attending seminars/workshops, symposiums and short term courses conducted by prestigious institutions.

#### Library

- Well –stocked library with pleasant interiors
- LibSuite Educational version Library Application Software
- OPAC (Online Public Access Catalogue) which enables students to access library data from any computer in the institute.

Area                      : 106.4 sqm  
Books                     : 5680  
Journals                 : 43

#### Students

- PGDTM -Marketing & Finance      50
- PGDTM -System & Finance        50

#### Admission Procedures

**1st Phase:** Appear in Symbiosis National Aptitude Test (SNAP),

#### 2 nd phase:

After the SNAP test result is declared, candidates who have applied for SITM will be short listed and called for Group Discussion and Personal Interview, which is held in Pune. The GD & PI also includes an extempore talk.

#### Fee Norms

Fees is collected in two installments every year. The fees is collected only by demand draft which is drawn in favour of 'Director, Symbiosis Institute of Telecom Management' payable at Pune

*Signature*      *us*      *Signature*

## **Other Strengths**

- Acknowledged by the industry as the best B-School in Telecom Management in the country. (Outlook September 2004)
- Have Systems Specialisation which has all the 4 components viz Management, Telecom, IT and Networking which includes CCNA certification study course incorporated in the syllabus.
- Marketing Specialisation focuses on Telecom services Marketing and Solution selling.
- Have good Industry interaction and have achieved 100% placement since inception.
- Alumni are doing well and have carved a unique niche in the industry.
- Majority of Students are Engineers who are generally technically and academically sound.

## **4. Symbiosis Institute of Management Studies SIMS)**

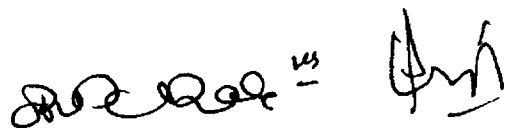

**Establishment year:** 6<sup>th</sup> May, 2002

### **Types of Programs**

SIMS is equipped with all the facilities of a contemporary Business School. It has a fully integrated campus with residential facilities. The Post Graduate Diploma in Management (PGDM) is offered with specializations in:

- Marketing & Finance
- Marketing & Operations
- Human Resource Management
- Information & Communication Technology and
- International Business.

The College has forged ahead in its tasks of upgrading the academic rigor through constant interaction with corporates and industry mentors and by examining the programs of the leading B-schools and incorporating them in its well-defined and pragmatic management curriculum.

Handwritten signatures and initials in black ink, including a large signature on the left and initials 'FM' on the right.

At SIMS an academic year for Post Graduate Diploma in Management is divided into four semesters. Each term is of approximately 16 weeks duration. There are four semesters during each two-year full time program. After completion of the first year, students undertake an 8-10 weeks 'Company Project Study'. Each semester follows a prescribed course curriculum, which consists of credits.

### **Central Computing Facility**

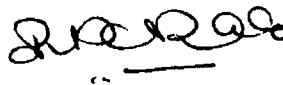

There are over 120 computers in the IT lab, which are used for instructional, and presentation purposes apart from over 30 computers which are deployed for administration and managerial computing requirements. The computers have Linux or Windows as their operating systems and have broadband accessibility. The entire campus being a wi-fi zone, the students are able to access the Internet using laptops at any given time and hence research is not confined to the computer laboratory. SIMS understands that technology plays a very important role in learning. To increase the pace at which a student can absorb, comprehend and articulate his/her knowledge we provide a full range of computing facilities. Thus the central computing facility actively assists in conducting Research & Development activities.

### **Central Library**

SIMS has a library that comprises of domestic and international publications. There are over 13,000 books in our library. A computerized system with compact discs, software's and e-books is present. The library is stacked with national and international magazines and journals.

### **Central workshop**

The institute coordinates the "Company Project Study" in which students get hands on experience with the Industry. It organizes workshops on business simulations, personality development and skill set culturing. A number of central workshops are conducted for imparting knowledge on specialized areas, such as seminars on 'Competitive Advantage', 'Corporate Social Responsibility',

## Other Strengths

Students are working on live projects with corporates and government agencies providing consultancy to various organizations which include:

- The Indian Army – Military World Games
- Kirkee Cantonment Board – Planning of roads
- Canteen Services Department – Mapping of supply chain & Atomization across India
  
- PRANAY is B-school social initiative started by the students of SIMS
  - work with various NGO's which include CRY, Akanksha, Mobile Creche, BWC & QMTi;
  - conducted a Medical Camp in the Mulshi district of Maharashtra
  
- Ranked 4<sup>th</sup> in the top 10 B-Schools and the top 10 Recruiters List
- ISO 9001:2000 certified Institute
- SIMS has been selected as a Center for Corporate Governance by the National Foundation for Corporate Governance

\* These faculties has registered for Ph.D.

### Library

Area - 263.54 sqm.  
Books - 6375 (Qty)  
Journals – 41 National 17 International

### Students

120 per batch

### Admission Procedures

- (1) Entrance – SNAP Test,
- (2) Group Discussion
- (3) Personal Interview

**Fee** Rs. 90,000 p.a.

### Strength

- 100% Engineer students
- SAP enabled ERP training
- APICS certification
- Six Sigma Certification
- special focus on non academic activities such as Vipassana, Yoga, and Workouts etc for students
- Excellent industry – Institute Collaboration.

123

## 7. Symbiosis Centre for Information Technology (SCIT)

**Establishment Year** : 1999

### **Courses (2yrs)**

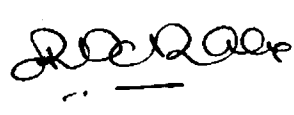

- Post Graduate Diploma in Management (PGDM)
- PGDM (IT Business Management)
- PGDM (Networks & IT Infrastructure)
- PGDM (Software Development & Management)
- PGDM (Systems)
- PGDM (Information Systems & Security)

### **Types of Programmes**

Postgraduate Diploma in Management (PGDM)

### **Infrastructure:**

- total academic area is 42000 sqft.
- There are 7 classrooms of varying capacity (40 to 70 seats), 1 training room, 3 discussion rooms, 1 assembly hall ( 180 seats).
- Separate hostels for boys and girls, recreational and health facilities are provided on the campus
- There are 4 Computer labs with a capacity of 120 computers.
- The campus is fully wired for 1100 nodes network and has the Internet connectivity with 512kbps bandwidth.
- EPABX with 25-line capacity is presently in full use and is connected to 6 telephone lines.
- The campus has generator back-up for the lifts and critical areas.

 <sup>MS</sup> 

## Computer Lab

Campus-wide network. The salient features of this network are:

- 1100-node network
- fiber optic backbone running on giga ethernet
- switched 10Mbps ethernet connection to the desktops
- 1MBPS leased line for internet connectivity
- 12-port giga ethernet core switch, 10/100 switches per floor
- campus server for bandwidth management

SCIT's main Computer Lab consists of three clusters each of which is set up with one type of platform & tools . Each lab has around 25 computers. In all there are 150 PCs and 9 servers and networking devices. Students work on **Linux, Windows and Solaris** platform in these clusters. They perform practicals on languages and other subjects on all platforms, giving them a unique experience of understanding the development peculiarities of the platforms.

In addition, there is a unique lab for networking called "Proof of Concept" lab with multiple devices and platforms for experimenting & exploration. This lab has routers, switches, hubs, firewall appliance, and wireless networking equipment. Students are free to connect devices as per the experiment they want to conduct and prepare "test-beds".

The labs have a rich suite of software packages for various environments such as Microsoft, IBM, Sun, Open Source etc.

- Halls** : One Assembly Hall having seating capacity of 130 students  
One Yoga Hall having seating capacity of 150 students.
- Auditorium** :One common auditorium having seating capacity of 340 students
- Hostel** :Total Four Hostels to accommodate boys and girls separately.
- Common Room** : One
- Playground** : One Basket Ball Court  
One Wholly Ball Court
- Classrooms** :There are Eight classroom of varying capacity (40–70 Seats ),  
One Training Room, two discussion rooms,

**Admin Office** : Four Offices on the ground floor  
Three office rooms on the first floor

**Canteen** : Canteen facility is available on the campus

**Gym** : SCHC runs Gym on the campus

**Number of computers** : 140

**Other equipments** : LCD Projector  
Television  
Tape Recorder

**Faculty**

Number : 14

Qualification: Masters or Bachelors Degree in the appropriate streams

**Library**

SCIT has a modern open-access library of more than 4000 books and more than 40 journals & periodicals and more than 1000 CD's in the central library. On an average 50-100 books are added every month during the academic year. It has Reading Room with wi-fi facility where students can study and also refer material on the Internet. Students also access more than 30000 books in the libraries of our sister Institutes viz. SCMHRD & SIIB housed in the same building.

Books: 4300

**Students** : 160

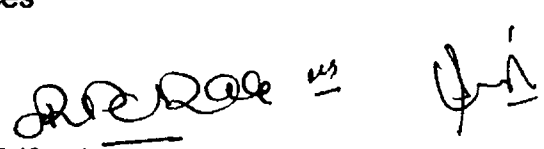

**Admission Procedures** : Symbiosis National Aptitude Test (SNAP Entrance Test) Followed by Group Discussion & Personal Interview

**Fee Norms** : As prescribed by Symbiosis Society

**NAAC** : Accredited by NAAC

**Strength**

:  
1. Teaching Methodology  
Right mix of Academics and industry practices  
Focus on learning rather than teaching

Use of case studies, presentations, projects, lab assignments, book reviews, surprise tests, open book exams, vivo- voce to ensure effective evaluation through learning

## 2. Transaction of Syllabus

Syllabus is up dated on every year with in puts from Board of Studies and from industry experts.

Courses are reviewed and up dated before beginning of every trimester to include new technological developments and industry practices

## 3. Innovations

Equal importance is given to learning and development of the student as an individual

One trimester is dedicated to Dissertation to inculcate research culture.

Publications- SCIT Tech Journal, SCIT monograph series are published every year.

Resource center- Through this center industry projects are delivered with help of students under the guidance of faculty members

Proof of concept lab. Used to experiment new solutions by creating live environments

## Best Practices

Feed Back. Feed back on faculty is taken and shared with the faculty to improve the academics.

AIR (Academic interaction and review) to ensure the effective academic delivery and incorporate changes as per the feed back received during AIR

Industry interaction- Through guest lecture, Half day topical seminars and National seminar

## Industrial project/ Consultancy

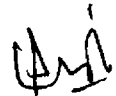

Resource center- Through this center industry projects are delivered with help of students under the guidance of faculty members

## 8. Symbiosis Institute of Geoinformatics(SIG)

Establishment Year: 2004

Courses: Masters Programme in Geoinformatics 2yrs

The course has been approved by the AICTE

**Introduction:**

Geoinformatics is the scientific conglomeration of application of technologies, such as Remote Sensing, Cartography, Photogrammetry, Geographical Information System (GIS), and Global Positioning System (GPS). The launch of this programme aims at creating a potent resource of experts in this field to meet the future challenges.

The first batch of the Symbiosis Institute of Geoinformatics (SIG) was enrolled in the year 2004 with a intake of 44 students.

The Symbiosis Institute of Geoinformatics has established excellent linkage also with industries dealing with GIS. The GIS industries are looking forward to the graduates of SIG joining them, as Symbiosis enjoys an excellent reputation for quality education built over past 35 years,

In the field of research and development, SIG envisage linkages with research and development establishments like ISRO Bangalore, YASHDA, Pune, NEERI, Nagpur and CSRI Nagpur, Regional Remote Sensing Service Center and the State Remote Sensing Application Centers for Maharashtra located at Nagpur.

**Infrastructure:**

Land: 4 Acres

Building Area: 1517.32 Sq. Mtrs

Computer Lab : 65.3 Sq Mtrs.

Halls : 2 Halls (196.3 Sq. Mtrs)

Library : 55.1 Sq. Mtrs

Auditorium: Common Auditorium

Hostel : Seats allotted on pro-rata basis by Symbiosis Society.

Common Room: Yes

Playground – Yes on campus common playgrounds under Society arrangements

2 Classrooms: 196.3 Sq. Mtrs.

Admin Office: 150.3 Sq. Mtrs

Canteen : Common with SIMS

Gym : All students are members of Symbiosis Center for Health Services Gym located within campus.

## Equipment

### Laboratories

Fitted with air conditioners

List Of Hardware: A total of 40 computers with following configurations

- 10 computers with
  - HCL Desktops
  - Intel Pentium IV 530 (3.0 GHz, 1MB L2 Cache with 800 MHz FSB),
  - HT Technology, on LGA 775,
  - Intel 915 Platform (915 GV chipset,
  - 1 PCI Express Graphics Slot (\*16), 512 MB DDR RAM (4 DIMM Slot),
  - 1.44 MB FDD, 80 GB SATA HDD, CD ROM Drive, Scroll Mouse, Internet ready 118 keys keyboard,
  - Onboard 10/ 100 Mbps NIC, Integrated Onboard Video, Integrated Onboard 6 Channel Audio, 17" Digital Colour Monitor,
  - 128 MB AGP Card, Linux Preloaded.
  
- 30 computers with
  - Intel Pentium-IV 2.8 GHz computer HT Support Spares.
  - Original box Intel 845 GBF Chipset Mother Board (on board AGP +sound + AGP Slot)
  - Intel P-IV 2.8 GHz HT support CPU

*[Handwritten signatures and marks]*

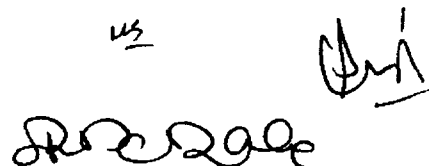

- 512 MB DDR RAM
  - 80 GB Seagate Hard Disk
  - 17" Philips color monitor
  - 1.44 MB Floppy drive
  - 52X LG CDROM.
  - 10/100 MBPS Ethernet card
  - 104 keys Logitech keyboard
  - Logitech optical mouse
- 
- ATX Cabinet with Dual cooling fan, front USB and SMPS.
  - 1 PIV Processor 2.8 GHz.
    - 845 intel GVSRL original motherboard.
    - 256 MB DDR RAM
    - 40 GB Seagate HDD.
    - 1.44 MB Sony FDD
    - Cabinet ATX
    - 108 keyboard Logitech
    - 3 button scroll mouse Logitech
    - 17"LG color monitor.
    - 52X CD Writer LG
    - 1 HP Compaq nc 8230 – Hi- Performance,
    - 15.4" wide screen and DVD – RW and blazing 128 MB graphic card.
    - Intel Pentium – M 740 (1.73 GHz / 2 MB integrated cache),
    - 533 MHz FSB, 512 MB DDR SDRAM, 80 GB (5400 RPM)
    - HDD, Multibay II DVD + RW Drive,
    - 15.4" wide SXGA +WVA TFT, ATI Mobility radeon X600 with discrete PCI express and
    - 128 MB video memory, integrated 802.11 b/g Wireless / Integrated Bluetooth / Embedded Security chip, 8 cell Li-Ion Battery, Track point and Touch Pad, 10/100/1000 Gigabit NIC, 56K Modem, XP Professional.

- 2 Lowrance iFinder H20 GPS,
- 2 Lowrance iFinder Hunt GPS,
- 1 Benefon (mobile phone + GPS).
- 31 UPS 600 VA with original SMF Battery. Back up time: 20 minutes.
- 5 Pocket Stereoscopes and 1 Mirror Stereoscopes.
- 1 Placom Digital planimeter , Model –KP – 80N having following features:
  - Polar type with multiple computing functions.
  - Display 10 symbols.
  - Scale, memo and hold functions available.
  - Units selectable are cm. sq. m. sq. km. Sq. in sq. ft. sq. acre
  - Units conversion also available.
- 1 Digital Curvi – meter, Model – CV-8, measures only length of lines, linear or irregular. having following features:
  - Scale selectable
    - Units selectable.
  - Accumulation of measuring values selectable
  - Averaging selectable.
- 3 Lynx 125 MM Prismatic Compass with Tripod
- 125 mm Prismatic Compass with stand. Widely used by surveyors for direct measurement of directions. The graduations on the circle are engine divided for accuracy. Well-designed portable robust in construction and attractively finished with tripod stand.

- 1 Panasonic PT LB 10VE LCD projector. 1600 ANSI Lumens, true XGA contrast ratio 400:1.

#### **Other equipments**

Electrical Generator – 75 KV

31 UPS 600 VA with original SMF battery backup time 20 minutes

01 mbps leased line

#### **List Of Software:**

- 15 user licenses of ERDAS Imagine professional, ERDAS Imagine Vector, ERDAS Imagine Virtual GIS.
- 15 user licenses of Leica Photogrammetry Solution.(addition to the above said modules).
- 10 licenses of Geomedia Professional
- 3 licenses of Geomedia Webmap Professional
- 5 licenses of Geomedia Public Works Managers.
- 2 licenses of Autodesk Map 3D Educational license.
- 10 licenses of Arc GIS 9.1.

#### **Faculty**

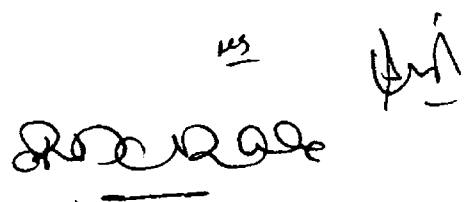

Number : Permanent Faculty members – 06 (with 3 Ph D)

Adjunct faculty – 05 (with 2 Ph D)

Visiting faculty – 10 to conduct modules / workshops on specialized subjects

Qualification: MSc. in Environmental Science, Geoinformatics, Geology, Computer Applications, Physics and Post Graduate degree in Remote Sensing from Indian Institute of Remote Sensing, Dehradun and ITC Netherlands

Trained etc.: Trained in Erdas Imagine 8.7, Arc SDE, Lieca Photogrammetry Suit

Handwritten signature and initials in black ink, including a large signature and the initials 'MS' and 'PNI'.

## **Library**

Area: 55.1 Sq. Mtrs

Books: 6000 books

Journal: 15 National and International Journals

## **Students**

No. of Intake - 80

### **Admission Procedures:**

Students are required to obtain minimum 50% Marks in the graduation.

Graduates from Engineering, Architecture, Science, Geology, Geography and Commerce disciplines are eligible.

Students are selected based on their academic performance and performance in the Symbiosis National Aptitude Programme test.

They are put through a written test, Group Discussion and Personal Interview and final merit list is prepared.

**Fee Norms :** Fees are collected under two categories; viz Open Merit and the Industry Sponsored quota. Fees are collected in two installments in a year.

### **Other Strengths:**

- Emphasis on overall development of personality of a student, along with professional knowledge.
- The students given exposure to industry and GIS related seminars.
- Curriculum has been devised by experts in GIS academia and Industry. Therefore its contents are much appreciated by the industry.
- The first batch of SIG has had 100% placement record and its students are much in demand.

## 9. Symbiosis Institute of Health Sciences (SIHS)

Establishment Year: 2005

### Courses:

#### Post Graduate:

- 1) **PGDHHM:** (Post Graduate Diploma in Hospital & Healthcare Management)
- 2) **PGDMLT:** (Post Graduate Diploma in Medical Laboratory Technology)
- 3) **PGDEMS:** (Post Graduate Diploma in Emergency Medical Services)
- 4) **PGDFM:** (Post Graduate Diploma in Fitness Management)
- 5) **PGDIS:** (Post Graduate Diploma in Imaging Sciences)

#### Under Graduate:

- 1) **B.Sc.** (Bachelor of Science)

**Background:** Symbiosis Institute of Health Sciences (SIHS) has conceptualized & implemented a group of academic programmes meant to equip the healthcare professional with the appropriate tools in order to survive this age of fierce competition and specialization.

Through its unique, innovative, career oriented programmes, SIHS plans to raise a cadre of professionals who would ensure delivery of optimum health care services.

### Infrastructure

- **Land & Building Area**

<b>Plinth Area</b>	1440.33 sq.ft.
<b>Covered Area</b>	11630 sq.ft

- **Computer Lab:** Yes.
- **Library:** 384 Books, Periodicals, Journals. In Addition we also have other teaching aids like CD ROMs, Teaching Manikins etc.

- **Auditorium:-** The in-house facilities include a 125 seater modern well equipped auditorium & a Conference Hall
- **Hostel:-** Yes
- **Common Room:-**Yes
- **Classrooms:-** Yes. Lecture class rooms are well equipped with the audio visual facilities.
- **Admin Office:-** Yes
- **Canteen :-** Yes
- **Gym:-** Gymnasium, Yogashala & meditation Hall
- **Equipment**

Name of the Equipment	Make
LCD- 3 Nos.	Panasonic, Syno
Scanner	HP 3670
Lab. Tech. Equipment	Microscopes, Hot Air Oven. Incubator, Calorimeter, Refrigerator and other standard equipment required for the Medical Laboratory Technology Programme.

- **Number of computers:** 30
- **Other equipments**
  - Printers- 20 Nos.
  - Antivirus – 30 Nos.
  - Network Switch – 4 nos.
  - DVD Writer – 2 nos.
  - UPS: 3 nos.

#### Faculty

Name of the Teacher	Designation	Educational Qualification	Teaching experience

		(whether qualified as per UGC regulations)	in years
Dr. Rajiv Yeravdekar	Dean	MD (Ob. Gyn.)	08 yrs
Mr. Satish Parthan	Assoc. Prof.	MHA, Master of Science - Development Economics	01 Yr.
Dr. Prakash Bhawe	Asso. Prof.	MD DMRD	28 Yrs
Dr. Sammita Jadhav	Asso. Prof.	MD (Path)	06 Yrs
Ms. Pooja Shrivasta	Junior Lecturer	MBA (HHM)	01 Yr.
Ms. Bhavna Malhotra	Junior Lecturer	B.Sc. Home Science PGDFM, PGD dietetics	01 Yr.
Ms. Pritisha Pardesi	Junior Lecturer	BPEd	01 Yr.
<u>Ms. Rachna Murdeshwar</u>	Junior Lecturer	MBA. BSc Radiology	02 Yrs.
Mrs. Sanjeevani Maral	Junior Lecturer	M.Sc. (Medical Micro)	09 Yrs.
Ms. Snehalata Sharma	Junior Lecturer	M.Sc. (Med Biochem)	04 Yrs
Dr. Surekha Ghumare	Head – Medical Research	PhD, DHE	10 Yrs

In addition to these around 110 visiting faculty are also associated with the Department for the various programmes.

**Faculty development program :** The SIEC DU organizes regular FDP

**Library :**

Area :500 sq ft

Books Journals: 3840 Books, Periodicals, Journals. In Addition library also have other teaching aids like CD ROMs, Teaching Manikins etc.

*Dr. Surekha Ghumare*

## Students

Name of the Department/ Programme	Intake
1. PGDHHM	44
2 PGDEMS	130
3. PGDFM	35
4. PGDIS	4
5. PGDMLT	11
6. Bachelor in Sciences	22

**Admission Procedures:** The selection of the candidates is done on the basis of his/ her performance in the qualifying examination and a personal interview at the institute.

## Fee Norms

PGDHHM	40,000
PGDMLT	15,000
PGDEMS	20,000
PGDFM	25,000
PGDIS	15,000
B.Sc. in Imaging Sciences	30,000 p.a.
B.Sc. in Medical Laboratory Technology	30,000 p.a.

## Strengths

- Innovative Need Based Programmes
- Expert Faculty
- Hospital attachments
- National & International Affiliations:
- The Post Graduate Diploma in Emergency Medical Services (PGDEMS) Course is recognised by the Los Angeles Paramedic Training Institute, USA.

*[Handwritten signature]*

*[Handwritten initials]*

- The American Heart Association (AHA) USA has conferred upon SDHS, the coveted title of an International Training Organization (ITO).
- The SIHS is also a recognised “Chapter” of the International Trauma Life Support (ITLS) Organization, USA. This is recognized by the American College of Emergency Physicians (ACEP), USA.
- The programme in Fitness Management is in academic collaboration with the apex sports institute of the country – Sports Authority of India (SAI).
- A Research Department has been recently established with a view to channelize the clinical data acquired over the past 8 years into a research study of epidemiological interest. This department also undertakes other independent research centric programmes

## 10. Symbiosis Institute of Design (SID)

**Establishment Year :** July 2004 .

**Courses (4 yrs) :** Bachelor in Communication Design  
Bachelor in Product Design  
Bachelor in Fashion Design

### Introduction

This Centre has been established to cater to growing need of qualified designers and Fine Artists in the market. The curriculum is innovative and is designed by design academicians and design professionals and is a combination of traditional skills and new skills. The approach at SID is entirely project based. The students are trained not only in academics but also in entrepreneurship skills.

### Infrastructure:

**Land :** 1,00,000 sq ft

**Building Area :** The building area of the Institute is 70,000 sq ft

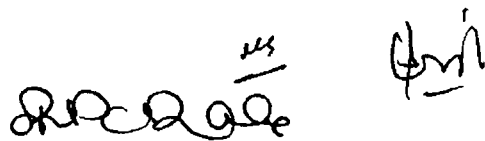

**Computer Lab :** 3 computer labs of 3,000 sq ft with 65 computers lab dedicated to Communication Design, 35 computers

lab dedicated to Product Design and E-learning attached to the Library.

- Halls : 3 halls measuring 3,000 sq ft.
- Auditorium : The auditorium with a seating capacity of 375 is fully equipped with "State of Art" Display, Light ,Sound System and A/C facility
- Hostel : It spreads on 45,000 sq ft of area. It has all the basic amenities like 24 hrs water for the students along with uninterrupted electricity with generator backup. Each room is shared by either 2/3 students
- Common Room : The hostel has a common room entertaining the Parents and Guardians of the Students.
- Playground : It is spreading over an area of 1,60,000 sq ft
- Classrooms : Total no of class rooms is 23 measuring 23,000 sq ft.
- Admin Office : 3,500 sq ft in measure is accommodating the non teaching staff.
- Canteen : measuring 6,000 sq ft.
- Number of computers : 37
- Other equipments : Scanner, Printers, LCD, K-Yan, Laptops

**Faculty** : 13

Sr.No.	Name	Qualification
1	Vinay Mundada	B.E. (Production, VJIT, Mumbai, M.Des (Industrial Design) IDC, IIT, Mumbai
2	Subhash Kotwal	G.D.Art, Painting), Dip. In Animation
3	Anirudh Natu	B.E., Faculty Training - NID
4	Vaibhavi P. Ranavade	M.Sc (Textile & Clothing), UGC Net Examination Cleared
5	Nitin Khedkar	M.E. - Production , Specialisation in Manufacturing and Automation
6	Ramesh Aundhkar	Bachelor of Fine Art, G.D.Art (Drawing and Painting), Dip. In Art Education
7	Pratima Bapat	National Dip. In Applied Art

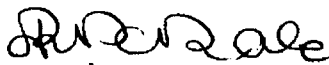

## **Recommendations of the Committee:**

The Committee based on the inspection, discussions and interaction held with the Management of Symbiosis Educational Centre (Deemed to be University), Symbiosis Society (Parent Trust), faculty members, students and non-teaching staff, unanimously recommends to the University Grants Commission, New Delhi that the following Institutes/Centres:

- (i) Symbiosis Centre for Management and Human Resource Development (SCMHRD)
- (ii) Symbiosis Institute of International Business (SIIB)
- (iii) Symbiosis Institute of Telecom Management (SITM)
- (iv) Symbiosis Institute of Management Studies (SIMS)
- (v) Symbiosis Institute of Mass Communication (SIMC)
- (vi) Symbiosis Institute of Operations Management (SIOM)
- (vii) Symbiosis Centre for Information Technology (SCIT)
- (viii) Symbiosis Institute of Geoinformatics (SIG)
- (ix) Symbiosis Institute of Health Sciences (SIHS)
- (x) Symbiosis Institute of Design (SID)

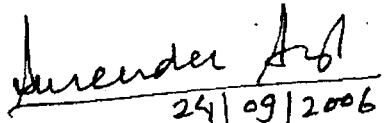

may be allowed to be included within the ambit of Symbiosis International Educational Centre (SIEC) Deemed to be University, Pune.

(Prof. R.K. Kale)

(Dr. R.P. Gangurde)

(Dr. Surender Singh)
